

## **Call For Artists:** **Clothesline Art Sale Fundraiser**

*Since 1947, the Grand Marais Art Colony has cultivated a relationship between outdoor inspiration and artistic pursuit inspired by the BWCA wilderness and Lake Superior.*

*With over 150 classes for all skill levels and ages, studio access for experienced artists, and numerous community events, the Art Colony is a restorative sanctuary for all creative spirits.*

*Programming only covers 1/3 of operating costs, the remaining portion must be raised. Please support our mission of nurturing art on the North Shore by contributing to this fundraiser.*

Started in 1947, this year's "**Clothesline Art Sale**" features 5x7 works of art hung in our festival booth during the Grand Marais Arts Festival, **July 9 - 10, 2016**. Each piece will sell for \$35.

**Seeking artists** to donate **1 or more pieces of original** works in any media that is hangable (room for a few 3-D items to sit on the table too). Draw, paint, collage, sketch, print, stitch, stamp - have fun while supporting the Art Colony! The works will be signed on the backside (or bottom for 3D only) so donors won't know who created the piece until after it is purchased. **Names of participating artists will be listed in at the event and on our website**

Please submit work by **July 1, 2016**.
