FOUR MORE WAYS YOU CAN MAKE A DIFFERENCE:

1. PAINT THE FUTURE

As the Art Colony serves more people each year, our operating costs and staff needs increase as well.

Help meet the cost of serving more people by increasing your annual contribution.

2. FUND A STUDENT

The scholarship fund provides art access to youth and those with financial need. Generous donors have made it possible to fill every scholarship request. The average scholarship request is \$250.

Help maintain the fund by gifting a scholarship – or two!

3. INVEST IN THE HOME

The studios and facilities need continual investment to maintain equipment and function.

Help maintain our home by buying a bulb: \$100 each.

4. THE LEGACY

Through sustained financial support, the Art Colony remains a vibrant sanctuary for the arts.

Help preserve the legacy with a gift to the Endowment Fund or in your planned giving.
