

List of Supplies

Class: Evening Winter Reading Group: *Wired for Story: The Writer's Guide to Using Brain Science to Hook Readers from the Very First Sentence* by Lisa Cron

Group Facilitator: Rose Arrowsmith-DeCoux

- Bring writing utensil and notepad
- Participants who are looking to purchase the book can opt to sign in on Amazon Smile <https://smile.amazon.com/> and search for Grand Marais Art Colony's account. Buying your book this way allows .5% of your purchase go to our art organization. Thank you.
- Participants will meet on the first date to get to know one another and discuss an overview of their book, spend the month reading, and return on February 21 for a final discussion.
