

## List of Supplies

**Class:** Solarplate Printing

**Instructor:** Dan Welden

**Please bring to class the following items:**

- Drawing, painting materials and tools, including
  - Brushes
  - Pens
  - Markers
  - Knives
  - Straight edges
- Solarplates – One 8 x 10-inch solarplate will be provided as part of your supply fee and Dan will have additional 8 x 10-inch plates on hand for you to purchase directly from him during class.
  - If you would like to work with dimensions larger than 8 x 10-inches you can purchase via Dan at: [purchase@solarplate.com](mailto:purchase@solarplate.com). Orders must be made **at least three weeks** from the class start date and can be shipped directly to the Art Colony:  
PO Box 626 Grand Marais, MN 55604
  - Plates purchased through Dan are reduced by 25% and you can purchase 11 x 14 to 16 x 20-inch plates.
  - Mention the class name (Solarplate Printing at the Grand Marais Art Colony) in the subject line.
  - It is suggested you order multiple plates of the same size.
- Acetate, mylar, or transparency film with drawings or photographs already printed on them (avoid pictorico film).
- Optional: Glass plates (the size you plan on working with). Make these a little larger than the plate size and have the edges polished. It should be at least ¼-inch thick.
- Stabilo 8046 pencils
- Black India ink
- Caran d'ache water soluble crayons, purchased individually or by the box
