

List of Supplies

Class: Critical Response Critique Session

Instructor: Natalie Sobanja

Please bring to class the following items:

- Notebook and Pen

NOTE: Session participants will be observing and participating in the session as part of the peer critique group but will NOT bring in their own artwork for this training session.

Should you want to have your own work critiqued, please contact the Art Colony at 218-387-2737 or by emailing info@grandmaraisartcolony.org.

Artists receiving feedback will meet with the facilitator for one hour in advance of the session to outline artistic goals and questions. These will then be employed during and provide the framework for the critique session.
