

Class: Decollage, Making New Work from Old Material

Instructor: Brian Dettmer

Please Bring the Following

- Material to work with, including
 - A book
 - Stack of photos
 - Postcards
 - Posters
 - Newspapers or magazines that have a personal and cultural significance for them

These materials will be transformed (or destroyed) so they should be meaningful but not irreplaceable.

Your Supply Fee Covers

- Golden Acrylic Matte Gel Medium for varnishing and gluing
- Craft knife (xacto type)
- Excel brand blades (#11, same as xacto brand)
- Tweezerman Tweezers

Student Learning Outcomes

- Students will explore elements of design and composition.
- Students will create a new piece of art from an old book or other printed material.
- Students will learn various decollage techniques.

Locally, our art supply store is Joy and Company, and you are welcome to stop in or reach out to them to gather your supplies: joy-and-company.com
