

**Class: Print on Clay**

**Instructor: Pattie Chalmers**

### **Please Bring the Following**

- Your personal ceramics tool kit
- Apron
- Old rag or towel
- Ensure your fingernails are short
- Wear clothes appropriate for working with clay

### **Your Supply Fee Covers**

- 50# of red earthenware clay
- All slips, stains and printing materials
- 1 bisque fire and 1 glaze fire. Students will also bring home some greenware

### **Student Learning Outcomes**

- Students will have a greater understanding of techniques used on ceramic surfaces for creating imagery and decorating.
- Students will gain skills in using the following methods for surface design: printmaking techniques, sgraffito, slip trailing, and stencils.
