

Class: Spitbite Etching with Copper Plates

Instructor: Mike Marks

Please Bring the Following

- Pencils/Erasers
- Sketchbook
- Cheap Brushes
- Apron

Your Supply Fee Covers

- One 8 x 10-inch Copper Plate
 - A second plate can be purchased from Mike during the class should students want to explore further. Cost is \$25 per plate.
- Cotton Rag Printmaking Paper (BFK Rives/Stonehenge)
- Intaglio Ink
- Tarlatans
- Scraper/Burnisher Tools for Plateworking
- Brushes for Applying Etch
- Nitrile Gloves for Inking

Student Learning Outcomes

- Students will learn how to make, apply, and print a spitbite-aquatint etch.
- Students will create an edition of prints from their copper plates.
