SAVE THE DATE
It's never too late to plan ahead: The 2022 Grand Marais Arts Festival will take place July 9 – 10, 2022.

ABOUT THE GRAND MARAIS ART FESTIVAL
The 30th Annual Grand Marais Arts Festival is a fine arts festival hosted by the Grand Marais Art Colony.

“The Art Colony did a fantastic job with the organization and the volunteers were all such nice people. You truly made us feel welcome. I have done a number of art fairs now and this was by far the best! Your whole community welcomed us as artists and customers. You even got the weather to cooperate! Grand Marais is such a warm and welcoming community!”

The Art Colony is a catalyst for the arts, artists, and arts learners in the Great Lakes region, providing classes and mentoring opportunities, residencies, exhibitions, and artist-driven signature events. We have made our home in Grand Marais since 1947 and are pleased to be celebrating 75 years in 2022.

**ENTRY POINTS**

We all need a starting point, whether launching a canoe into the Boundary Waters or picking up a paint brush for the first time. Our Entry Points program provides opportunities for people of various ages and skill levels to attend artist talks, demonstrations, and mini-classes. See the following pages for upcoming events.

**CLASSES**

Our classes provide immersive mentoring experiences for beginners to established artists. Classes primarily run from May – September in two-dimensional arts, printmaking, ceramics, sculpture, and literary arts. Check out our website to see upcoming classes.

**RESIDENCIES**

We provide artists with independent work space and time to develop new works by allowing for aesthetic inquiry and experimentation while also planning a variety of community engagement activities with residents. The primary residency season is October – April, although other select dates may be available. 2022 residency applications open Fall of 2021.

**SIGNATURE EVENTS & EXHIBITIONS**

We love to celebrate artists, art-making, and community arts access. Take the Arts Festival as an example! Other 2021 events include two exhibitions: *But It Was Still There* at Studio 21, May 21 – August 31; *The Art of Reciprocity* in partnership with and located at the Sugarloaf Cove Nature Center, June 5 – September 30; along with our upcoming North Shore Readers and Writers NonFest, November 4 – 11.

**HOURS OF OPERATION**

Through the 2021 season we are open ONLY to students and artists-in-residence during Monday – Friday. Please visit Studio 21 to view our summer exhibition on Saturdays from 9 AM – 4PM or participate in an Entry Point activity.
