Class: Engaging Nature through Drawing
Instructor: Sarah Ann Nelson

Note that this class will be spending a good chunk of time outdoors and students will need to have good mobility traversing uneven and rocky terrain.

Students are asked to bring the following supplies

- Small container for water (1/2 cup size) or a container that is easy to transport and good for painting
- Pencils for sketching (HB is fine)
- Eraser
- Pencil Sharpener
- Any other drawing materials you want to try
- A bag or way of carrying materials you want to move around with. A fanny pack or tote are recommended
- Optional
  - Hat, sunglasses
  - Layers
  - Water bottle
  - Anything else you will need to work comfortably outdoors

Your supply fee will cover the following supplies

- 5 x 5-inch Sketchbook (hard shell + watercolor/mixed media)
- Micron 005 pen
- Micron Brush Pen
- Derwent Inktense Paint Pan Travel Set Palette 01 (includes brush)
- Ruler

Student Learning Outcomes

- An understanding of perspective drawing, proportionate drawing, and how to choose and use a range of mediums for outdoor creation.
- A comfortability with outdoor and live sketching
- An investment in creating a personal visual voice + a deeper relationship to the ecosystems along the North Shore
- Sketches for new ideas, new works, and new practices
